Terms and conditions

1. Grace period

A grace period of ten days from the premium due date is allowed for monthly premiums. During the grace period cover continues.

2. Lapse and revival

If a premium is not paid by the end of the grace period the policy lapses. A lapsed policy may be revived within five years from the first unpaid premium by paying the unpaid premiums with interest, subject to a health declaration. As a NexaSure demo term (IRDAI sets no rule for riders of a term plan), riders lapse when the base policy lapses and are restored with it if the policy is revived within five years of the first unpaid premium, subject to the same health declaration or medical examination. This demo product has no surrender value and no paid-up value.

3. Free-look period

You have thirty days from receiving this policy document to review it and may return it for cancellation. The refund is the premium paid minus a proportionate risk premium, the cost of any medical examination and the stamp duty.

4. Suicide

If the life assured dies by suicide within twenty-four months of the date the risk started or of a revival, the policy ends and no premiums are refunded. Death by suicide after twenty-four months is not excluded for this reason.

5. Contestability

After two years from the date of issue, no life insurance policy can be called in question on any ground. Within those two years it can be questioned for fraud or for a wrong or hidden fact that matters to the life expectancy.

6. Exclusions

Apart from the suicide provision above, this policy has no general exclusion for the death benefit.
